F2D Class Expectations

Philosophy: Our vision is to offer a place for children to learn dedication, self-respect, and motivation through dance in a team-like, fun-loving, and friendly atmosphere. Dance is a powerful ally for developing many of the attributes of a growing child including building friendships, having fun, expressing themselves, and building character through hard work, discipline, and determination. Dance helps children mature physically, emotionally, socially, and cognitively. We have created these expectations in order to create an appropriate environment that limits distractions and helps each child to stay focused. Please share them with the dancer:

1. Please arrive a few minutes before class so students are prepared for class. Shoes on, jackets hung up, and street clothes off. This will also lessen the distraction of entering the studio once the class has begun, see #7.
2. Please be sure to use the bathroom facility before class begins. It's disruptive to take dancers in and out of class for the bathroom and assistants have to leave with dancers to use facility.
3. Always wear appropriate attire for dance class and hair up. (See Dress Code)
4. Please bring appropriate dance shoes for class in a dance bag and do not wear street shoes in dance classrooms. Names must be written in or on the bottom of all shoes. For all combo classes, students will bring their shoes into the studio and teachers will assist them when it is time to change.
5. Please line up outside of the studio door when waiting for class to start. Students may not enter the studio until the teacher is present and gives the go ahead to enter as a class.
6. The classroom doors will be closed for ALL student dance classes at the class start time. This will lesson distractions from hallway noise, other studios, etc. Parents can view from the windows outside of each classroom but are not allowed to enter the classroom unless they are asked by the teacher.
7. Always be respectful to your instructors and fellow dancers. Listening is essential to the learning process and dance classes need to have an environment that allows all dancers feel safe to express themselves.
8. If a student has more than one class in a night, we encourage you to bring a healthy snack. There will be NO FOOD ALLOWED in a studio at any time. Only water is allowed in bottles that are being brought into class.
9. Please make payments (see Tuition) by handing the payment directly to the receptionist or dropping the payment into one of our drop box locations on the front door or side of the receptionist desk. Please write your child's full name on BOTH the check memo and the envelope.
10. All studio information is sent by text, email, posted at the studio AND available on our website under the Parent's Corner. IT IS YOUR RESPONSIBILITY TO BE AWARE OF STUDIO HAPPENINGS, EVENTS, AND PAYMENTS.

Thank for your support in upholding these expectations. We look forward to another amazing dance season!
